

**DIRECTIVE TO PHYSICIANS AND PROVIDERS
OF MEDICAL SERVICES
(Pursuant to Section 75-2-1104, UCA)**

This directive is made this _____ day of _____, _____ (year)

1. I, _____, being of sound mind, willfully and voluntarily make known my desire that my life not be artificially prolonged by life-sustaining procedures except as I may otherwise provide in this directive.
2. I declare that if at any time I should have an injury, disease, or illness, which is certified in writing to be a terminal condition by two physicians who have personally examined me, and in the opinion of those physicians the application of life-sustaining procedures would serve only to artificially prolong the dying process, I direct that these procedures be withheld or withdrawn and my death be permitted to occur naturally.
3. I expressly intend this directive to be a final expression of my legal right to refuse medical or surgical treatment and to accept the consequences from this refusal which shall remain in effect notwithstanding my future inability to give current medical directions to treating physicians and other providers of medical services.
4. I understand that the term "life-sustaining procedure" includes artificial nutrition and hydration and any other procedures that I specify below to be considered life-sustaining but does not include the administration of medication or the performance of any medical procedure intended to provide comfort care or to alleviate pain.
5. I reserve the right to give current medical directions to physicians and other providers of medical services so long as I am able, notwithstanding that these directions may conflict with the above written directive that life-sustaining procedures be withheld or withdrawn.
6. I understand the full import of this directive and declare that I have emotional and mental capacity to make this directive.
